I/we agree to abide by the Articles of Incorporation, the By-laws and the Rules and Regulations of this Association as they exist or are amended from time to times.

_____ (Initial)

The meter shall be located on the property parcel that it is to serve. If the meter needs to be relocated by the customer at a later time to meet this criteria, the member shall beat the cost. I/we agree to pay for any line extension from the existing distribution system as required to service the above listed location. Line extensions must be addressed through a construction agreement.

_____ (Initial)

I/we will grant to the Association, its successors ad assigns, a perpetual easement in, over, under and upon the above property, with the right to erect, construct, install and lay, and therefore use, operate inspect, repair, maintain, replace and remove water pipelines togher with the purpose of ingress to egress from the above described property.

_____ (Initial)

I/we understand that this application requires approval by the Board of Directors of this Association.

_____ (Initial)

I/we agree that in the event all charges are not paid when due, that I/we will be responsible for all costs of collection incurred by the Association including a reasonable attorney's fee. Bills not paid when due shall incur interest at the rate of 1.5% or \$3.00 per month, whichever is greater. Water service will be disconnected if the bill is left unpaid for more than 30 days. In the event service is disconnected, membership terminates automatically. In the event service is disconnected I/we will hold harmless the Association, its Directors, Agents and Employees from any and all claims for damage arising out of such action.

_____ (Initial)

I/we agree to maintain a clear, unobstructed and safe path to and around the meter can and to keep the lid in its proper place. The meter is to be immediately accessible or a remote reading device will be installed at the member's expense. I/we agree to be financially responsible for the meter, setter, lid, can,

etc. I/we agree to control my animals during meter reading. If the meter is not immediately accessible the reading will be estimated. In the event of estimation I/we agree to pay for water that was not previously charged to me.

_____ (Initial)

To protect the public water supply system I/we agree that no present or future water source will be connected to any other water line served by the Association's water lines and will disconnect from their present water supply prior to connecting to and/or switching to the Association's system.

_____ (Initial)

I/we understand that only one household may be served by a meter.
